

Ask about the nearly **3 billion reasons** why we're committed to our policyholders.

Many of our policies offer premium-return options so policyholders can get back all their premiums after a certain period of time.* Since 1995, Washington National has returned nearly \$3 billion in premiums to policyholders.

Now that's what we call **commitment.**

*The return of premium (ROP) or cash value (CV) (in MO, "cash return") benefit is subject to state and product availability. The benefit has an additional charge and may pay minus claims or regardless of claims based on the policy selected. The policy must remain in force until the end of the ROP/CV period for the benefit to be paid. The premium-return amount is based on ROP/CV payments to Washington National policyholders from January 1, 1995, through December 31, 2017.
